SECTION I

REQUIREMENTS OF CONTRACTORS DOING BUSINESS WITH THE COOPERATIVE

The purpose of this policy is to set forth the expectations of the Kentucky Educational Development Corporation (KEDC) regarding all contractors' obligations to follow federal, state, and local laws and regulations while conducting business with Kentucky Educational Development Corporation.

Any contract between KEDC and a business or individual that calls for supplying KEDC with goods or services shall be governed in all respects as to validity, construction, capacity, performance, or otherwise by the laws of the Commonwealth of Kentucky.

All contractors providing goods or services to KEDC will assure KEDC they are conforming to the provisions of the Civil Rights Act of 1964 as amended. Further, contractors shall comply with the Executive Order 11246, entitled, "Equal Employment Opportunity," as amended by Labor regulations (41 CFR Part 60); the Copeland Act 18 U.S.C. 874 as supplemented in the Department of Labor regulation (29 CFR part 3).

Contractors shall comply with all applicable federal, state, and local laws and regulations pertaining to wages, hours, and conditions of employment. Included in this provision is the compliance of contractors with the Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq. and all applicable sections of the act and the Department of Labor's supplemental regulations (29 CFR parts 5 and 1926).

In connection with the contractor's performance of work under any contract or bid award offered by KEDC, the contractor(s) shall comply with all applicable standards, orders, or requirements issued under Section 306 of the Clean Air Act (42 U.S.C.) 187 [h], and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et. seq.); and, Executive Order 11738 and Environmental Protection Agency (EPA) regulations (40 CFR Part 15), which prohibit the use under non-exempt federal contracts, grants, or loans of facilities included in the EPA list of violated facilities.

Contracts with KEDC shall include the provision granting KEDC employees the right to access to the contractor's records.

MAXIMUM FREE AND OPEN COMPETITION

It is the clear intention of the Kentucky Educational Development Corporation to foster all procurement transactions in a manner to provide, to the maximum extent practicable, open and free competition. (20 U.S.C. 1221 e—3(a)(1) and 3474, OMB Circular A—110)

KEDC shall make positive efforts toward procuring and utilizing small business and minority owned business sources of supplies and services. All such efforts shall be made to allow these sources the maximum feasible opportunity to compete for contracts with KEDC.

All procurement procedures developed and implemented by KEDC shall assure that unnecessary or duplicative items are not purchased. Where appropriate, considerations of lease and purchase alternatives will be made to determine which would be the most economical and practical procurement.

All KEDC bids and solicitations for goods and services shall be based upon a clear and accurate description of the technical requirements for the material, product or service to be procured. Such description shall not, in competitive procurements, contain features that unduly restrict competition. Brand name or equal clause may be used as a means to define the performance of other salient requirements of procurement, and when so used the specific features of the named brand that must be met by bidders/offer's are clearly specified.

KEDC shall use procuring instruments such as fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts, where appropriate and or required by state law and which promotes the best interest of KEDC and its programs and services. KEDC shall not use a "cost-plus-a-percentage-of-cost" method of contracting.

Contracts will be entered into by KEDC with only responsible contractors who possess the potential ability to perform successfully under the terms and conditions of a proposed procurement. Consideration shall be made by KEDC for such matters as a contractor's integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. KEDC may be required by federal grants to seek prior approval by the granting agency for purchases of an aggregate amount of \$5,000 or more in the event of receiving only one bid or proposal.

KEDC shall follow the principles of cost analysis in the review and evaluation of proposals or bids to determine if the bidder meets the requirements of reasonableness, allocatability, and allowability.

KEDC shall, for all purchases that exceed \$10,000, maintain procurement files that include the basis for contractor selection; justification for lack of competition when competitive bids or offers were not obtained; basis for award cost or price; and a system for contract administration so as to insure contractor conformance with the terms, conditions and specifications of the contract, and to ensure adequate and timely follow-up of all purchases.

KEDC shall follow all laws of the Commonwealth of Kentucky requiring bidding of goods or services in excess of \$10,000.

KICKBACKS USE OF CONFIDENTIAL INFORMATION**
